

§3563. Mandatory Conditions of Probation

(a) MANDATORY CONDITIONS.—The court shall provide, as an explicit condition of a sentence of probation—

(1) for a felony, a misdemeanor, or an infraction, that the defendant not commit another Federal, State, or local crime during the term of probation;

(2) for a felony, that the defendant also abide by at least one condition set forth in subsection (b)(2) or (b)(12), unless the court has imposed a fine under this chapter, or unless the court finds on the record that extraordinary circumstances exist that would make such a condition plainly unreasonable, in which event the court shall impose one or more of the other conditions set forth under subsection (b);

(3) for a felony, a misdemeanor, or an infraction, that the defendant not unlawfully possess a controlled substance;

(4) for a domestic violence crime as defined in section 3561(b) by a defendant convicted of such an offense for the first time that the defendant attend a public, private, or private nonprofit offender rehabilitation program that has been approved by the court, in consultation with a State Coalition Against Domestic Violence or other appropriate experts, if an approved program is readily available within a 50-mile radius of the legal residence of the defendant;

(5) for a felony, a misdemeanor, or an infraction, that the defendant refrain from any unlawful use of a controlled substance and submit to one drug test within 15 days of release on probation and at least 2 periodic drug tests thereafter (as determined by the court) for use of a controlled substance, but the condition stated in this paragraph may be ameliorated or suspended by the court for any individual defendant if the defendant's presentence report or other reliable sentencing information indicates a low risk of future substance abuse by the defendant;

(6) that the defendant—

(A) make restitution in accordance with sections 2248, 2259, 2264, 2327, 3663, 3663A, and 3664; and

(B) pay the assessment imposed in accordance with section 3013;

(7) that the defendant will notify the court of any material change in the defendant's economic circumstances that might affect the defendant's ability to pay restitution, fines, or special assessments;

(8) for a person required to register under the Sex Offender Registration and Notification Act, that the person comply with the requirements of that Act; and

(9) that the defendant cooperate in the collection of a DNA sample from the defendant if the collection of such a sample is authorized pursuant to section 3 of the DNA Analysis Backlog Elimination Act of 2000.

If the court has imposed and ordered execution of a fine and placed the defendant on probation, payment of the fine or adherence to the court-established installment schedule shall be a condition of the probation.

§3583. (d) Mandatory Conditions of Supervised Release

(d) CONDITIONS OF SUPERVISED RELEASE.—The court shall order, as an explicit condition of supervised release, that the defendant not commit another Federal, State, or local crime during the term of supervision and that the defendant not unlawfully possess a controlled substance. The court shall order as an explicit condition of supervised release for a defendant convicted for the first time of a domestic violence crime as defined in section 3561(b) that the defendant attend a public, private, or private nonprofit offender rehabilitation program that has been approved by the court, in consultation with a State Coalition Against Domestic Violence or other appropriate experts, if an approved program is readily available within a 50-mile radius of the legal residence of the defendant. The court shall order, as an explicit condition of supervised release for a person required to register under the Sex Offender Registration and Notification Act, that the person comply with the requirements of that Act. The court shall order, as an explicit condition of supervised release, that the defendant cooperate in the collection of a DNA sample from the defendant, if the collection of such a sample is authorized pursuant to section 3 of the DNA Analysis Backlog Elimination Act of 2000. The court shall also order, as an explicit condition of supervised release, that the defendant refrain from any unlawful use of a controlled substance and submit to a drug test within 15 days of release on supervised release and at least 2 periodic drug tests thereafter (as determined by the court) for use of a controlled substance. The condition stated in the preceding sentence may be ameliorated or suspended by the court as provided in section 3563(a)(4).¹ The results of a drug test administered in accordance with the preceding subsection shall be subject to confirmation only if the results are positive, the defendant is subject to possible imprisonment for such failure, and either the defendant denies the accuracy of such test or there is some other reason to question the results of the test. A drug test confirmation shall be a urine drug test confirmed using gas chromatography/mass spectrometry techniques or such test as the Director of the Administrative Office of the United States Courts after consultation with the Secretary of Health and Human Services may determine to be of equivalent accuracy. The court shall consider whether the availability of appropriate substance abuse treatment programs, or an individual's current or past participation in such programs, warrants an exception in accordance with United States Sentencing Commission guidelines from the rule of section 3583(g) when considering any action against a defendant who fails a drug test. The court may order, as a further condition of supervised release, to the extent that such condition—

(1) is reasonably related to the factors set forth in section 3553(a)(1), (a)(2)(B), (a)(2)(C), and (a)(2)(D);

(2) involves no greater deprivation of liberty than is reasonably necessary for the purposes set forth in section 3553(a)(2)(B), (a)(2)(C), and (a)(2)(D); and

(3) is consistent with any pertinent policy statements issued by the Sentencing Commission pursuant to 28 U.S.C. 994(a);
